

INT. STUARTS LIVING ROOM - DAY

Stuart and Loretta are sitting on the sofa. He's scratching inside his pants while she files her nails.

STUART

So that's when I told em baby
you just gotta put a door
right there in front of that
gate and them pigs won't get out
no more.

LORETTA

(amused)

Baby you are a gee-nus.

STUART

Oh I know.

LORETTA

You know what you should do?

STUART

What's that?

LORETTA

You should go on that game show...

STUART

What?

LORETTA

Jeopardy.

STUART

Oh I love that show! Me and my
mama watch that show.

LORETTA

Yes baby. Think of the hundreds
of dollars you would win.

STUART

Man we would have hundreds of
dollars! Man we could have
like chew and beer and Stu and you.

LORETTA

That's a package right there.

STUART

That is a package. That's it,
right there.

(beat)

Cause you are my baby angel I
got you something. My little
sugar muffin.

Stuart reaches down next to the sofa and brings up a large gift
box and hands it to her. She's quite excited.

LORETTA

Got me something!

STUART

I got you this and it's not used
it's new, I didn't get it from
somebody crying or nothing.

LORETTA

Awe! Honey you bought me a gift.

STUART

Not just any gift.

LORETTA

Awe!

She hugs him, kissing him on the cheek and before she begins to
unwrap the large package he suddenly stops her.

STUART

Wait Loretta, before you open
that I just wanted to tell you
something.

(He gets a little choked up).

I just wanted to say how much
you mean to me and how much
these last few months have meant
to me. Well, it's really been
the best time of my life...truth
is I never thought I'd meet someone
like you.

(He stands up.)

Someone who gets my jokes, lets
me fart in bed and pull the
covers up. You like that
one, you do, you're laughing.

(He sits back down next to her.)
Drink my beer, likes my hair,
that's one of my favorites by the way...

LORETTA

Awe, mine too my little moon pie,
mine too.

She reaches out and caresses his long black hair making him
blush a little. He quickly stands back up.

STUART

Anyways, where was I...oh
yeah, what else...let's see...well,
you like me, and I like you...and
most of all let's me chew my
chew. Heck that day you asked
me to try some and then got all
red and threw up over me I just
knew! I mean I just knew you
were the right girl for me.

She remembers her illness and gets a sick look over her face as
he continues...

STUART (cont)

And every since then I've just
been a wondering and thinking
what I could give ya that would
tell ya how much I love you.
And it finally hit me.

(He sits back down next to her.)
So, I want you to have
this not cause their important
but because you are...to me.

LORETTA

Awe! My little Stuey pooey.

She reaches over and hugs him again kissing him all over his
cheeks. He starts blushing.

STUART

Awe shucks, stop it now, go ahead and open it up.

She quickly unwraps the gift revealing the same lingerie that Anoop tried to give SARAH.

LORETTA

Oh, my Lord! This is so nice!

She stands up and puts it in front of her trying to see how it would look on her.

STUART

Do you like it?

LORETTA

I love it. Oh, baby...

She leans back down hugging him again.

LORETTA

I'm gonna go try it on for you.

STUART

Now hold on a sec. I've got something else to give you.
Now just have a seat for a minute.

He sits her down on the sofa. He leans back down next to the sofa and picks up a small jewelry box. She begins to primp herself, FIXING HER HAIR AND ADJUSTING HER BOOBS. He then kneels down in front of her on one knee and reveals the box to her. She mistakes it for an engagement ring and to prepare CLOSES HER EYES and begins to get anxiously nervous.

LORETTA

Oh my lord!
