

INT. MARCUS' LIVING ROOM - NIGHT

They start to play cards again. After a few seconds...Marcus pulls a small mirror from his pocket and checks himself. Winks at himself.

MARCUS

Man I tell you what woman want.

ALL

What? What is it? Yeah tell us.

MARCUS

They want implants.

They all laugh at him.

JIM

Implants?! Man what the heck.

MARCUS

Yeah, you know breast implants, face lifts, botox, you know.

They all laugh at him.

ANOOP

Man you are crazy, women don't want implants.

MARCUS

Yeah, they do.

STUART

No, heck no.

JIM

Man, implants? Really? And you're supposed to be the smooth one of the group. Mr. Jet Magazine! The black James Bond!

Anoop & Stuart laugh and agree with him.

MARCUS

Man, whatever, ya'll crazy. I know what women want and its

implants. See, that's why  
ya'll don't have no girlfriends...

ALL

Whatever.

STUART

You know I got me a girl.

MARCUS

You do not have a girlfriend.  
Looking like Joe Dirt's cousin.

**Next Scene!**

LIVINGROOM

Table and has a seat. They all greet each other. Stu reaches out  
to shake Anoop's hand but he doesn't.

STUART

Okay, okay next time, next time.

ANOOP

Hey have you guys heard from JIM  
lately?

MARCUS/STU

(Simultaneously)

No.

STUART

I even tried calling him the  
other day and he ain't called  
me back neither.

ANOOP ARUN YAMIR PATEL

(in Hindi accent).

You know he was out on that date  
last night and he hasn't said  
anything about it.

STUART/MARCUS

I know. Yeah.

STUART

That's true, that's true. Ya'll know, I've been trying to call ya'll since like Monday and ya'll ain't called me back.

MARCUS

Uh, you know what, who's your carrier?

STUART

Oh, I'm with Sprint.

MARCUS

Oh, you see, we're with Verizon.

STUART

What does that mean?

MARCUS

See, they changed the rules if you're not on the same network you can't even talk no more.
