

INT. MARCUS' LIVINGROOM - NIGHT

Marcus enters the living room and goes over to the mirror to check himself. There's a knock at the door. He checks his breath and answers it. It's Tina his girlfriend.

TINA

Hey babe.

MARCUS

Hey girl.

TINA

So good to see you.

MARCUS

Good to see you. Mmmm, I've been thinking about you all day.

As she enters they give each other a peck. She then goes over to the wall mirror to check herself. He stares at her butt and has a seat on the sofa.

TINA

I couldn't wait to get here.  
Babe I am loving this new job. Working at this fashion magazine it's so wonderful. It's a dream of mine really. But some of those girls, I tell you, I think they shop at Walmart, ugh. Anyway you went to that store I was telling you about.

She goes back to the sofa to check out his shirt.

MARCUS

Yep, you like that? You like it?

TINA

Love it.

MARCUS

I went straight down there, I love it.

They both have a seat on the sofa.

MARCUS

Baby you think I should let  
my hair grow out? Like this guy  
right here?

Shows her the guy in the magazine. She looks at it, then at his  
head.

TINA

No, baby you look fine just the  
way you are.

(pause)

So how was your day babe?

MARCUS

(back to looking at his magazine)

It was good. What about yours?

He smiles knowingly.

TINA

Oh, my gosh sweetie I almost  
forgot, thank you so much  
for the flowers and balloons  
today at work. All the girls  
were like Wooo, girl what did  
you do! Ha, ha! Of course I  
didn't tell them.

MARCUS

Good cause they don't need  
to be in our business right?

TINA

Seriously.

MARCUS

I'm glad you liked them.

TINA

Oh babe, I met this really  
nice couple the other day,  
he's a lawyer for this really  
prestigious law firm and  
she's a doctor can you believe

that.

She gets up, goes to the kitchen counter and pours them a glass of wine.

TINA (cont)

Oh they were so nice, oh, and  
you should have seen the car  
they were driving, this brand  
new Cadillac oh, my god that  
is a sweet ride. Oh, lord  
and the outfit she was wearing  
she had on \$400 Manolo Blanic's,  
okay! She was it! And she is  
totally my new best friend.  
We're going out with them this  
Friday okay. Oh, and I want  
you to wear your new suit I  
bought you okay.

MARCUS

Okay baby.
